

Computer Recycling in San Diego County

Presentation to UCHUG - 1/07/09

G. Skalka

What Do You Do When Your Prized Electronics Are Just Junk?

Recycle!

Why Recycle?

- It keeps hazardous materials out of our environment
- It extends the life of our landfills
- For some items, it may be the only legal way to dispose of them
- It is the right thing to do!

What Should be Recycled?

- Computers and related accessories
- Monitors
- Other home electronics
 - TVs
 - Stereos
 - Telephones
- Batteries

Finding Recycling Opportunities on the Internet

- e-Waste Recycling Events
 - www.ewastegreen.com
 - www.recyclesandiego.org/e-waste_events.htm
- City of San Diego Recycling Program
 - www.sandiego.gov/environmental-services
 - [/recycling/miramarrecycle.shtml](http://www.sandiego.gov/environmental-services/recycling/miramarrecycle.shtml)

Additional Recycling

- Many stores now provide drop boxes for batteries at their entrances, including
 - Best Buy
 - Circuit City
